The Financial Aid committee contact is: Heather Clarke – vicepresident@blackhillsfc.org

I confirm that the information stated in this financial aid application is true. Without attached tax return, statement and monthly amount you can pay, the application will be returned to you unprocessed. I understand that I will likely still be responsible for some player fees if full financial aid is not granted. I agree to make regular and timely payments.

Financial aid is awarded based largely on family income. However, the BHFC does not employ financial aid experts, and income doesn't always tell the entire story, so we need your help. Please fill out the form completely. The guidelines we use to determine financial aid include the USDA Child Nutrition Program Income Guidelines. That requires that we know how many family members are supported by the family income, so under "Name of those living in household" please list everyone in your household that is supported by your family income. If there are other circumstances, such as medical expenses not covered by insurance, make sure you list that in the space above. Finally, no one but the family really knows how much aid your player will need to participate in the BHFC program. Please fill in a dollar amount in the space marked "How much can you pay monthly for player fees?". Applications submitted without a dollar amount, or with comments such as "None" will be returned with a note requesting that the space be filled in with a dollar amount.

Financial aid generally does not include your uniform fees which are due to Wembley Soccer Shop.

NOTE: If you are not granted financial aid for the full amount of player fees due, you are responsible for the difference. A payment schedule can be arranged with the club bookkeeper, Karyn Challender - bookkeeper@blackhillsfc.org.
